Section 1: Some of the Evidence showing Cessationism is an invalid teaching

Video	Cessationist Claim	Evidence against Claim
1 33 33v2	Gifts ended with early church	Video 1 shows there were thousands of prophets and believers speaking in tongues when Paul wrote 1 Corinthians in 52-57AD, ~25 years after the cross In Chapter 14, Paul told thousands of believers to pursue gifts, especially prophecy. Why do so if the gifts were on the verge of ending?
2	9 Gifts were on the decline as Acts comes to a close; shows gifts on the way to ending	Numerical analysis shows gifts were on the increase as Acts comes to a close.
2	No specific mention of gifts being used in books after Acts; shows gifts on the way to ending	Assumption that lack of mention automatically means gifts were not occurring is shown to be false
3	9 Holy Spirit gifts had 2 key purposes; prove Jesus was Messiah and launch the gospel	More than 10 found in Bible
4	Pouring out of Holy Spirit finished when it happened at 4 locations in Acts 1 – Judea, Jerusalem, Samaria and Ephesus (remotest part of earth)	Outpourings occurred elsewhere and further away than Ephesus
5 33 33 v2	Role of prophets ended with early church	Thousands of prophets living when Paul wrote 1 Corinthians; encouraged more to prophesy
7	Role of apostle limited to original 12 + Paul	Several/many other apostles in early church plus why introduce 5-fold if only a 3-fold (evangelist, pastor, teacher) was to exist
8	Miracles/signs and wonders only occurred in 3 seasons in Bible and served 1-4 purposes; varies depending on Cessationist camp	More than 10 found in Bible; now in 4 th season with Holy Spirit in all born-again believers and upon those believers who are Baptized in Holy Spirit (videos 6, 24-28, 32)
9	Must gifts of tongues, healing, prophecy mirror the Bible examples	Evidence says no

Video	Cessationist Claim	Evidence against Claim
10	Sins & ungodly behaviors of Pentecostals and charismatics show gifts are no longer valid	Sins and ungodly behaviors are not relevant to issue of gifts being valid today or not. They can indeed be relevant in terms of how they are being used. Caution on history is warranted as one can probably find a historical writing supporting almost any current belief.
14	Do not hear from God outside His Word today	Not all divine revelation in Biblical times was recorded in the Bible including prophecies from many hundreds of prophets. Why can't that be the case today?

Section 2: Food for Thought for Cessationists and Continuationists

#16 Only 1 of Sola Scriptura and 9 Holy Spirit gifts can be valid.

Some Gifts (prophecy, tongues, interpretation of tongues, words of knowledge and wisdom) require believers to be able to hear from God outside His word and thus, if the 9 gifts are valid today, we must be able to hear from God directly making Sola Scriptura invalid.

#17 Costs to Cessationists if 9 Holy Spirit Gifts are valid today

#18 Costs to Continuationists of misuse of Holy Spirit gifts or if gifts not valid today

#19 Costs to leaders if they are not filled with the Holy Spirit

Section 3: Baptism of Holy Spirit and the 9 Holy Spirit gifts

#6 Three (3) Experiences with Holy spirit – the ‘with’, ‘in’ and ‘upon’/‘Filled with Holy Spirit’

#22 Is every Believer to be involved in 1 or more of the 9 Gifts. I say no.

#25 Baptism of Holy Spirit is about power, not salvation.

#26 Faith, God's Power, 9 Gifts, & Baptism of Holy Spirit are closely linked.

#27 Thirty (30) Points Related to Baptism in Holy Spirit

#28 Baptism of Holy Spirit (& Fire) - Receiving the initial & ongoing Baptisms

#29 There are 5 baptisms relevant to believers today. #29 also touches on 4 Baptisms relevant to Yeshua including His Baptism into His priesthood.

Section 4: 3 Parts of Human Beings

- #30 Gives an overview of our 3 parts - spirit, soul and body – and examples of potential impacts of emotions on our bodies and does God actually communicate with us, and what parts the enemy can influence either before and after we're born again.
- #31 Summarizes what happens to each of our 3 parts when we are conceived, born, born again and die.

Section 5: A few Insights on the Bible

- #11 Differences in translations & interpretations make the Bible fallible in human hands.
- #21 Seeking truths in God's Word can be a risky proposition for many including leaders. Losing one's job or being excommunicated makes exploring new truths very difficult.
- #23 For 6 reasons, I believe Acts 2:38 (Peter's infamous "repent and be baptized") refers to Baptism in Holy Spirit, not Water Baptism or?
- #24 Graphe, Rhema & Logos - Understanding these 3 Greek words changes how we see many scriptures.

 - #20 Twelve Question Survey on Basics of Christianity & 5 Questions on Equipping
 - #32 Are the 3 Criteria for Leaders in Acts 6 (Good Reputation, Full of the Spirit and Full of Wisdom) valid for today's Leaders? If so, filled with Holy Spirit occurs when a person is Baptized in Holy Spirit which gives access to power, one key form of which is the 9 Holy Spirit gifts.
